Work Safe Policy Statement
PJP (UK) Limited

At **PJP (UK) Limited** safety is at the heart of everything we do.

Our commitment to maintaining the highest standards of health, safety, and welfare is reflected across all areas of our operations—from equipment delivery to on-site support. We believe that every employee, contractor, and client have the right to a safe working environment.

Our Safety Principles

- **Zero Harm Philosophy:** We aim to prevent injuries and incidents through proactive planning and awareness.
- **Regular Maintenance:** All plant and equipment are serviced in line with manufacturers' guidance to ensure safety and reliability.
- **Qualified Personnel:** Operators are properly trained, certified, and continually assessed for competence.
- **Site Risk Assessments:** We conduct and support thorough site-specific safety reviews before delivery and operation.
- **PPE Compliance:** We supply and mandate the use of personal protective equipment appropriate for all tasks.
- **Emergency Preparedness:** Our team is trained in emergency protocols, and equipment includes safety features to protect operators and bystanders.
- **Communication:** We foster a culture where safety concerns are openly discussed and acted upon without delay.
- **Environmental Care:** We take steps to mitigate dust, noise, and emissions, ensuring minimal impact to surrounding areas.

Our Responsibility

We are committed to:

-
- Complying with all UK health and safety regulations, including the Health and Safety at Work Act 1974.
- Continuously reviewing and improving our safety practices.
- Supporting clients with safety documentation and best practice guidance.
